

**GRANITE BAY HIGH SCHOOL IB PROGRAM
REGISTRATION FEES FOR MAY 2010 IB EXAMS
DUE OCT. 15, 2009**

We have a test fee deadline approaching **Oct. 15** so I wanted to give you this early notice.

The IB exam registration process can be accomplished solely through the IB Coordinator, so I must submit the names and fees for all students planning to take exams in May 2010. Errors are very difficult to correct, so we need to be punctual and accurate, or the exam cannot be taken next May. Please read this sheet carefully.

Each student will be issued a personal code and a session number. The personal code (ex. kly768) follows the student through all assessments for both years of the IB program. The session code (ex. 002966-056) is unique to each exam session. These codes are given to me once IBNA has processed the payments. Actual testing dates and times will also be given at that time, probably in November or December.

Diploma Program students taking exams at the end of grade 12 are registered as "Diploma" (D) candidates. Diploma Program students taking exams at the end of grade 11 are registered as "Anticipated" (A) candidates. Students taking isolated IB exams (not part of the full Diploma Program) are defined as "Certificate" (C) students. HL exams are only taken at the end of grade 12. **Please circle your registration category below.**

A one-time registration fee of \$135.00 is paid by all IB students, regardless of registration category. Subject fees of \$92.00 are paid for each exam. Additional fees are incurred for payments received after the deadline on Oct. 15 or for adding new subjects exams after that date. Please contact the IB Coordinator at scolnar@rjuhsd.us if the payment of these fees creates any financial hardship for your family.

SCHOOL NAME: **Granite Bay High School**

SCHOOL NUMBER: **002966**

REGISTRATION CATEGORY: **D A C** (circle one)

CANDIDATE'S LAST NAME: _____ FIRST NAME: _____

HOME TELEPHONE: () _____ CELL PHONE: () _____
